

SMP Job Description – Sales Representative - International

Title: International Sales Representative

Reports To: Project Manager

Summary

The Sales Representative is responsible for selling SMP CANADA products and services through the achievement of opportunity-based sales quotas. He or she will reach business targets through the use of excellent sales and communications skills. The Sales Representative is responsible for greeting and working with customers, determining their requirements in order to help them find and purchase the right product by answering questions and conducting detailed demonstrations. Other duties include maintaining a thorough, up to date knowledge of company products and services, and assisting customers and lending agencies with any related paperwork involved with the sale. This individual will also develop his or her revenue generation through the creation of sales leads, initiation of prospect calls, and establishment of ongoing rapport with existing and potential customers. Integrity, vision, and passion are essential for this role.
